Birthday Party Overview:

Everyday Artists offers project-oriented birthday parties to children of all ages. Parties are 1½ hours; 45 minutes for painting and 45 minutes for snacks and presents. Parties that run over this allotted time slot will be subject to pro-rated charges (\$50 for the first ½ hour and \$50 for each consecutive ½ hour after the initial).

We welcome your decorations at the studio, however due to codes and regulations, piñatas, confetti, glitter, noisemakers, balls, silly string, etc. are not permitted in the studio.

The location of the party is at the discretion of the management and will be held either in the upstairs or the downstairs of the studio. Room selection cannot be guaranteed. Guests are to remain in their assigned party room at all times, unless directed by an everyday artists staff member. **Only two chaperones are permitted to stay with the party due to space limits and fire code regulations.** The parents of guests are welcome to stay & paint but we ask that they stay back from the party guests so that the party guests and host or hostess have plenty of room to move about and participate in the party without interruption. We will only provide food and drink to paid party guests. Parents who do not wish to leave the vicinity of the party are welcome to paint at a 10% discount.

Our party packages cover only the guest of honor and their paid guests. Please include any siblings or siblings of guests in the final count if you would like them to participate in the party activities.

Other studio tables and chairs not set aside for the party may not be utilized by non-painters. Stools will be provided for the chaperones.

Pieces:

All party packages include your choice from our selection of birthday pieces. We offer a wide variety of projects for birthday parties, so you can create a fabulous and age appropriate party for your child.

Depending on age, you may choose an off the shelf style birthday party where the children may pick a piece off the shelf, or you can select a specific piece for each party guest to paint. For the younger ones, we suggest your child choosing a specific piece for each party guest to paint. For older guests we suggest you allow them to pick one of our birthday party suggestions. We find many guests have been here before and might already have a box or figure and thus may want to choose a bank this time. If you need assistance, any everyday artists employee can assist in directing you to the birthday party pieces.

50% Deposit:

A 50% deposit of the total party cost is required based on the maximum number of guests provided in order to secure the party date and time you have inquired about. The nature of our business requires us to order your pieces at least two weeks prior to the date of your party. The Wednesday before your party you will be required to give a confirmed guest count. If on the day of your party your final guest count is less than your confirmed count, the difference will be refunded in pottery dollars, our version of store credit.

Late Arrivals:

Please kindly advise all guests that the party will begin promptly at the scheduled time because we may have another party already scheduled that day to also attend to so we must stay on time schedules to meet those deadlines. All of our activities are carefully planned out, but any child arriving late will be allowed to join the activities at the point to where the party has progressed.

Cancellations:

Any party cancelled within 48 hours of the scheduled date will be charged the full rate and store credit will be issued. Party cancellations prior to 48 hours will receive a store credit equal to the previously paid deposit amount. Store credits for parties are valid for 6 months from the original party date.

In case of severe weather, unforeseen circumstances or illness we reserve the right to reschedule your party.

Pick-up:

We ask that the parent's of the birthday child please stay for the duration of the party to ensure the needs of their invited party guests both at the party and after. We ask this to ensure that their child's friends have been picked up from the party and taken home or to provide a ride for them in lieu of their parents.

Each piece will be individually wrapped and labeled with the party guest's name. The birthday party host parents will be called when all pieces are ready for pick-up. Pieces cannot be picked up individually, all items must be picked up at the same time.

Food Allergies:

It is the responsibility of the parent's of the birthday child to check with all party guests for specific food allergies.
